ABOUT US

Backlight Apparel BD

Backlight Apparel BD is a dynamic and trusted buying house based in Bangladesh, specializing in sourcing, developing, and delivering high-quality garments to clients around the globe. With a strong network of reliable manufacturers and a dedicated team of professionals, we bridge the gap between global fashion brands and Bangladesh's world-renowned textile industry.

About Us

At Backlight Apparel BD, we offer end-to-end apparel sourcing solutions, including product development, fabric and trim sourcing, production planning, quality assurance, and on-time shipment. Our product range covers a wide spectrum of woven, knit, and denim garments for men, women, and children.

We are committed to maintaining the highest standards of quality, ethical manufacturing practices, and sustainability. By closely monitoring every stage of the production process, we ensure that our clients receive products that meet their exact specifications and exceed expectations.

HOW WE WORK

4 SIMPLE STEPS

At Backlight Apparel BD, we believe in making the apparel sourcing process smooth, transparent, and efficient. Our workflow is designed to ensure quality, speed, and client satisfaction at every stage.

Product Development & Sampling

We develop and deliver samples based on your designs and requirements.

Sourcing & Production Planning

We source quality materials and plan production with trusted factories.

Production & Quality Control

We ensure smooth manufacturing with strict quality control.

Final Inspection & Delivery

We perform final inspections and manage timely shipment to your location.

OUR FACTORY SELECTION

At Backlight Apparel BD, we carefully select factories that meet international standards for quality, compliance, and sustainability. All our partner factories are:

Certified

with relevant audits (BSCI, WRAP, SEDEX, etc.)

Technically equipped

modern machinery and skilled manpower

Ethically compliant

strong labor practices and safe working environments

Reliable

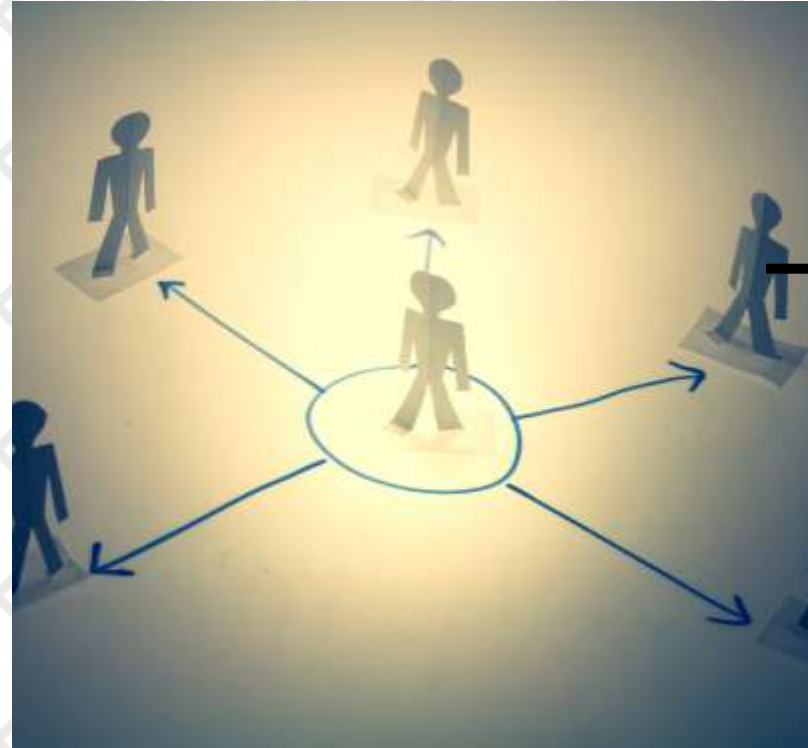

maintaining quality, timelines, and transparency

We believe that strong partnerships with the right factories are key to delivering excellence to our clients—every time.
